

Clay Bird

Head: Roll a ball/sphere.

Beak: Pinch and pull
-Beak can be open or closed.

Eyes: Poke with pencil.

Neck: Roll a thick coil.

Tail: Make a slab and add a triangle.
-Reinforce under tail

Wings: Make a round slab, then cut it in half.
-Reinforce under wing with coil.
-Try positioning in different ways.

Add detail and texture to finish.
